Year 6 Exeter Quay trip

Year 1 and 2 Instow Trip

This week our Year 1 and 2's enjoyed a fantastic trip to Instow. They walked sensibly to the main road to catch the bus and then spent some time exploring the beach, identifying human and physical features in the area. After their long walk they were ready for some lunch and a delicious Hockings ice cream! They finished the day with some beach games and sandcastle building before catching the bus back to school again. We were very proud to receive numerous comments from members of the public about the politeness and good behaviour of the children.

Forest School

This week we have been continuing with our look at minibeasts, focussing on Bees.

We read 'Bee my Friend' by Igloo books and found out some interesting facts- like they beat their wings 200 times a second, they can't see the colour red, and have 5 eyes and 4 wings. We also learnt the collective name is a colony of bees.

We made pinecone bees and tried pollinating flowers.

We also recycled a broken dolls house into a new minibeast residence.
